9th Dhaka International Film Festival 2023: Introducing the beginning of an unprecedented opening ceremony.

The festival's culminating ceremony will take place Monday at the Shimanto Shambhar branch of Star Cineplex.

February 7, 2023, 12:30 pm [Dhaka Bangladesh]

The 9th Dhaka International Film Festival 2023 on February 4, Saturday took place at the University of Liberal Arts (ULAB) sessions were held at the opening ceremony. The first session was held at 10 am, and the second starts at 2 pm. The closing ceremony of the festival will be held on February 5, Monday at Star Cineplex's Shimanto Shambhar branch.

The first session was started by prof.Jude William Genilio,Head of the department of Media Studies and Journalism ULAB. There was a present as Chief Guest in the event Chief guest Gousul Alam Shaon, managing partner and country head at Grey Group Bangladesh.The talks were followed by the film screening. An interactive question-and-answer period followed the film screening in the second session.

Later, Syeda Sadia Mehjabin, a professor in the ULAB department of media studies and journalism and a DIMFF advisor, awarded certificates to the three top campus ambassadors and workshop participants.

The Dhaka International Mobile Film Festival (DIMFF) celebrates a traditional Bangladeshi symbol each year, and this year's festival theme was "Bioscope," paying tribute to Bangladesh's rich storytelling heritage.

The festival was supported by several valued partners. Filmism joined as the Documentary Partner, Black Stick as the Wardrobe Partner, Chow-Man as the Food Partner, and Meena as the Festival Partner. Dhaka Post served as the Media Partner, while Brandsmith was the Public Relations Partner. Star Cineplex supported the festival as the Title Sponsor, and SAKPDL was the Award Partner.

Held at the ULAB Permanent Campus, the festival offered visitors a memorable cinematic experience through "Black Maria," a specially designed dark tent inspired by the world's first film production studio, allowing audiences to enjoy films in a distinctive and immersive setting.

The Dhaka International Mobile Film Festival (DIMFF) organization in Bangladesh to host a film festival including only movies made using cell phones. The DIMFF serves as a link between the world of storytelling and filmmakers by employing new mobile technologies. DIMFF began its journey in 2015 and over time evolved into an outreach initiative of the University of Liberal Arts Bangladesh's Department of Media Studies and Journalism.

Learnings and Outcomes (Self-reflection):

- Learned how to write a clear event report.
- Improved my news writing and information-gathering skills.
- Learned how to present event details in a professional way.
