

Project 11

Course Code and Name: MSJ 3242 Created Private Media

Project Name: Story of Our Bonoful

Project Type: PSA

Project Theme: Poverty Trap

Semester of Submission: Fall 2024

Project Description:

This project is a corporate audiovisual (OVC) titled "Story of Our Bonoful". Working as a team, we produced a video highlighting how the Bonoful project under the Akij Foundation supports children from low-income families by providing educational opportunities. The video featured interviews with students and the project manager to present the project's impact and purpose..

Project Justification:

Education plays an important role in breaking the cycle of poverty. This project aimed to raise awareness about how corporate social initiatives can create positive social change and improve the lives of underprivileged children.
